A Note from the President.

PHILANTHROPY

Chairman:

Phyllis Campbell

On December 15th Phyllis Campbell, Chairperson of Philanthropy and myself, delivered five boxes of donations, three large plastic bags of plush toys, along with twenty quilts that our generous members have made from the "Quilt Kits" and/or made themselves. The donations were received with great gratitude on behalf of the women and their children at "Women's Transitional Living Center".

Thank you for all the donations that you have contributed, I know that your efforts are well received and truly needed and may each and every one feel blessed for the good that you do.

Thank you, Mona McCormick,
Philanthropy Committee

Philanthropy Sewing Bee - New Time

The sewing bee for January will be held on Saturday, January 20 from 1:00 p.m. to 9:00 p.m. If you can't come in the day time,

then join us in the evening. We're trying out a new time to see how it works for everyone. We'd love to see some new faces!

We will be putting together quilt kits for our members to complete. Finished quilts will be given to the Women's Transitional Living Center in Fullerton and to "Chosen to Be Loved" - the non-profit that provides quilts and memory books to babies and children going into the foster care system.

You may also work on your own project, lay out a quilt on the large tables, or even bring your knitting or ? Remember to bring something to eat or drink to share with everyone.

We will meet at the Buena Park Community Center in the room where Lyn Brown's class meets (we call it the Arts and Crafts Room, but it is actually an Assembly Room). Enter through the alcove on the front of the building. Park in front lot and walk south along the sidewalk just in front of buildings. You

will be facing a room with many windows. As you approach the windows, walk left into the alcove area. The door will be on your right and is not visible from

the street.

MEMBERSHIP

Our December General meeting was a wonderful time of fellowship and to honor Veronica Gonzales for her efforts she gave our guild in having sold 29 books of tickets for the motorcycle quilt. She is not a member and didn't even know of our guild until she saw the motorcycle quilt at the Buena Park Seniors Super Saturday event. She loved the quilt so much she asked if it would be alright if she sold tickets for our guild. We are grateful for her interest and indebted to her for her accomplishments.

What better way to finish a few
of those projects that you have
been ignoring, than to sit for a
few hours with a group of
quilters and just sew? Get
away from the stress of family
and chat with the quilters and
you will be astounded at how
much you accomplish--whether
it be hand stitching a binding,
making a few blocks or cutting
out that new project.

Bring a treat for the potluck,
and enjoy as much time as you
can spare. See ya there.
