

We will have two choices for participants in Acacia's Block of the Month. The pieced choice will be a different block each month, but in the same color choices. Please make at least one block for the Guild, which will be added to others and made into kits for completion. Make one block each month for yourself, or a row of each block, so that you will be able to complete a 12 block or 12 row sampler by next July. The block you keep may be any color you desire.

The first colors to be used on the BOMs are fabrics that read as purple, turquoise, and white. Please see monthly directions for placement of each color. We may change to different jewel tones as the year progresses. The fabric may be solid, mottled, batik, hand dye, or a print that is predominately the stated color, with only touches of any other color. These are jewel tones, not pale pastels.
