Ornament Contest

It's time for our annual handmade ornament contest. Please bring up to 3 ornaments that you have made yourself to our December meeting. Your ornament can be made from any medium: fabric, glass, ceramic, wood, felt, knitted or crocheted, . . .well, you get the idea. Do not bring a purchased ornament, even if it is handmade by someone else. Someone did once, yes, you know who you are.

Ornaments will be judged by all in attendance. Each person will pick 2 favorites, because sometimes it is hard to choose just one. The three with the most votes will be the winners.

Potluck

Our potluck will begin at 6:30 p.m. You may bring your family! We are not providing the dessert for our potluck this year so we are trusting that not everyone will bring desserts. If possible, it would be great if those who want to bring a dessert could bring a side dish too. Of course we hope some of you will bring a casserole, crock pot or meat. Whatever we get, we will have a good time enjoying the food and each others company. If you are coming from work, you could even bring a package of rolls or stop for fried or rotisserie chicken.

Block of the Month

We will have a drawing for those who have brought blocks for the past year. Please see Phyllis Campbell for drawing tickets. She will trust you on how many blocks you have made.
